Chapters 46, 47, and 50 – Proposed Amendments

---

This information item is in regards to Chapters 46, 47, and 50. Chapters 46 and 47 address all-terrain vehicles, off-road motorcycles, snowmobiles and off-road utility vehicles. Changes are being made to clarify issues with registrations, titling, numbering, accident reporting, dealer rules, and regulations relating to designated all-terrain vehicle riding areas. Chapter 50 addresses the bonding process for all-terrain vehicles, off-road motorcycles, off-road utility vehicles, snowmobiles and vessels. The Department is finalizing amendments to these chapters and anticipates submitting the Notice of Intended Action to the Commission for review and decision at the March 2010 meeting.
